Title: AirPort extreme base station for sale

Description: AirPort Express is a lightweight (Apple model: A1354) router designed for music sharing. AirPort Extreme (4th Generation) is a more powerful router with additional ports and features. Time Capsule is essentially an AirPort Extreme with a built-in hard drive for wireless (wifi) file sharing and Time Machine backup. (Fast speed wifi - can be connected to smartphone)
The AirPort Extreme Base Station from genuine Apple is a compact Internet router with powerful wireless capabilities. The router allows you to share your Internet connection between several

computers via the draft
802.11n wireless protocol.
It also features three
standard
10/100/1000Mbps Gigabit
Ethernet ports. The router
is also fully backwards
compatible with legacy
802.11a/b/g devices. A
USB port is present for
printer and hard disk
sharing. Include apple
power adapter AC:
120VAC, DC: 12VDC,
1.8A. Easy to connect
(website instruction
available). Very good
condition, no cracks or
dents, working order.
Cost \$ 299 from
officeworks. Only \$100
price firm Collect them at
regents park near station
after 12pm

Price: \$ 100.00
